ACTS - Factories Act, 1948 - Certain educational and training institutions - Exemption granted under section 86 of the Act - Modification - proposals of the Chief Inspector of Factories Orders passed.

Copy of letter No.B.1. 18839/51, dated 24.12.1951, from the Commr. of Labour & Chief Inspector of Factories, Chepauk, Madras-5, to the Secretary to Government, Development Department, Madras.

.....

Sub: FACTORIES ACT, 1948 - Section 84 - Workshops attached to public institutions - Exemptions.

Ref: Government Endt. No.96676 P.II/51-4 Development dated 7.12.1951.

...

Chapters IX, X and XI of the Factories Act, 1948 deal mostly with provisions relating to submission of notice of accidents, submission of annual returns, dangerous operations in factories, notification of certain diseases, prosecutions, liability of owners under the Act, appeals, display of notices and submission of annual and half yearly returns.

Compliance with the provisions relating to display of notices is necessary in the interest of the workers and compliance with the provisions relating to submission of accident reports and annual and half yearly returns is necessary for statistidal purposes. Grant of exemption from the provisions relating to prosecution is not desirable as no action can be taken against the occupiers of factories exempted from these provisions for serious contraventions of any of the provisions contained in Chapters I to IV of the Act, Grant of exemption from the provisions relating to appeals is not desirable in the interest of the occupiers of factories. Provisions relating to dangerous operations in factories will apply only to factories wherein the dangerous operations mentioned in the schedule to section 87 of the Factories Act, 1948 are carried on and no action need be taken under this Section by occupiers of factories wherein the dangerous operations mentioned in the said schedule are not carried on.

In the circumstances explained above exemption from Chapters IX, X and XI of the Act is not desirable.

I, therefore, request that the Director of Industries may be informed accordingly and that the exemptions already granted to the workshops mentioned in my letter of even number dated 30.8.1951 from the provisions of Chapters IX, X and XI of the Factories Act, 1948 may be cancelled.
